

K Kirtu presents

DANCE FLOOR

SCRIPT BY: DARKMARK ARTWORK: WAKY

Welcome to my new home

Of course, you found it for us, so consider it yours, as well!

I think you'll like living in Delhi

I'm sure I will

But where is your lovely wife?

Shweta is out of town on business unfortunately

But she sends her best.

A shame. But come

Let me introduce you to the rest

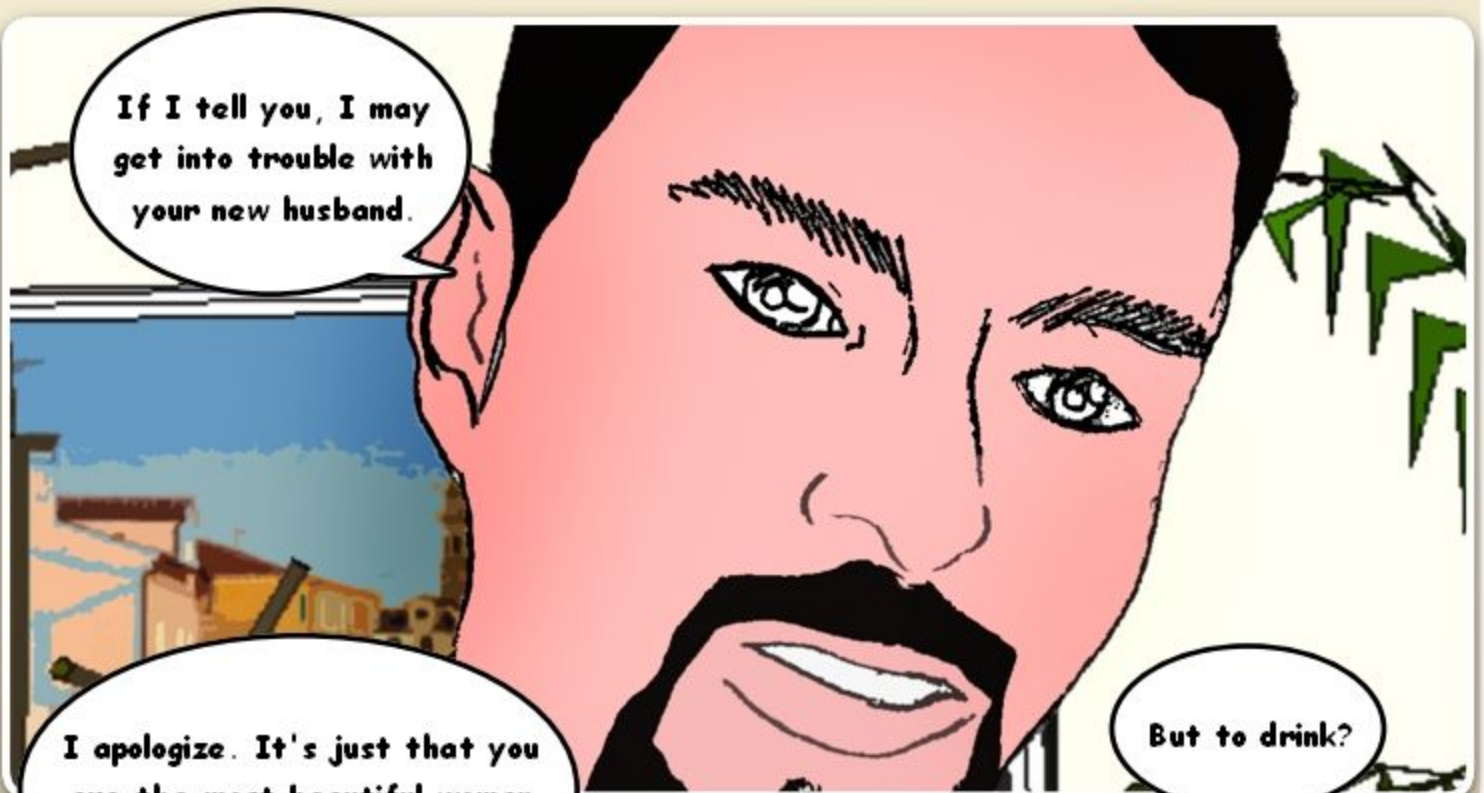

This is Pooja, my wife

Darling, come meet my old friend Maddy!

Pooja, get Maddy something to drink.

What will you have?

If I tell you, I may get into trouble with your new husband.

But to drink?

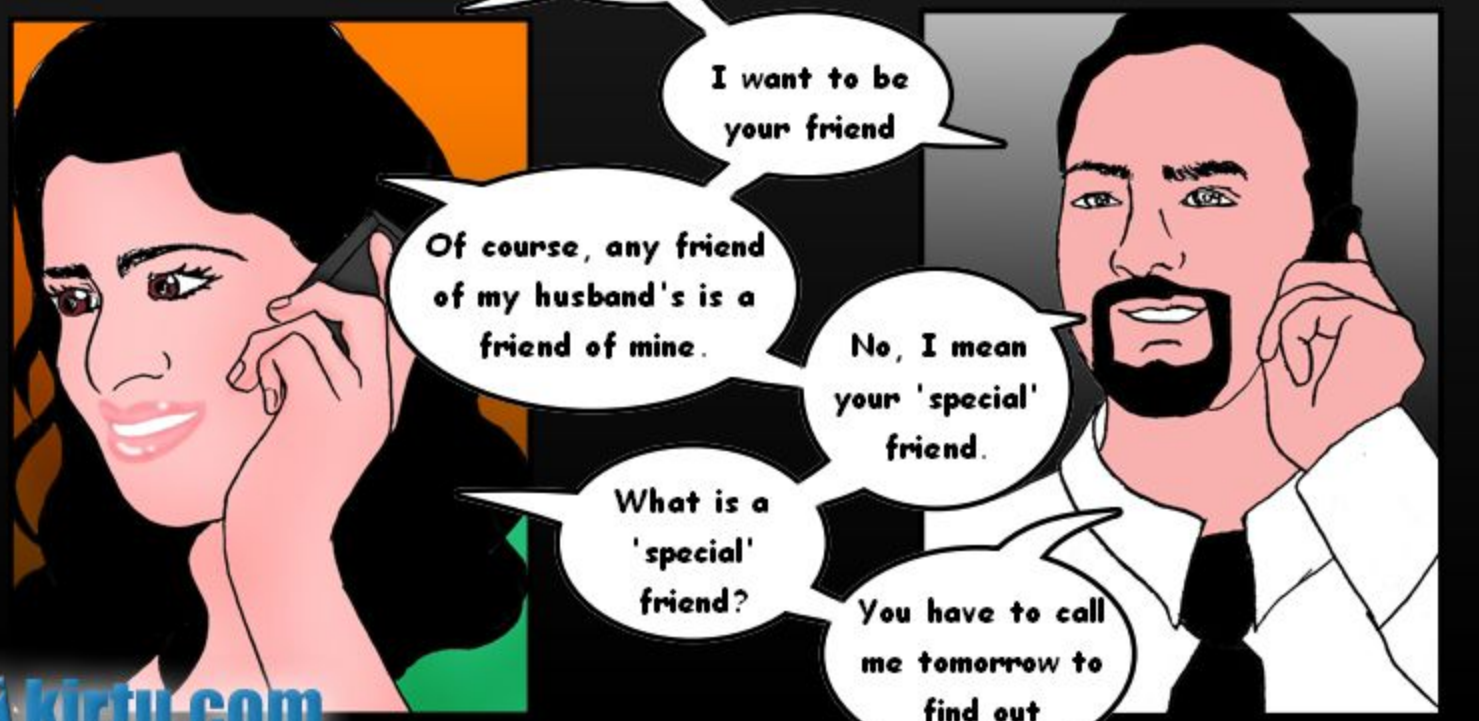

I apologize. It's just that you are the most beautiful woman I've ever seen.

Oh...a glass of wine, ha ha ha. Whatever is open is fine.

The following day...

Hello?

It's your special friend

Idiot!

Are you OK, Maddy?

So what is a 'special' friend, Maddy?

You told me to call you to find out.

Yes, yes,

I'm in the car. Let me pull over.

SCREECHES

We'll get to that. But first, you must tell me what you're wearing.

I can't do that, Maddy.

Why not?

Because I'm in the bath

Anyway, I just called to invite you to my birthday party.

Yes, she's about your size

But with much more...

More what?

Huh!

Just get her something nice

with a little extra room up front in and back.

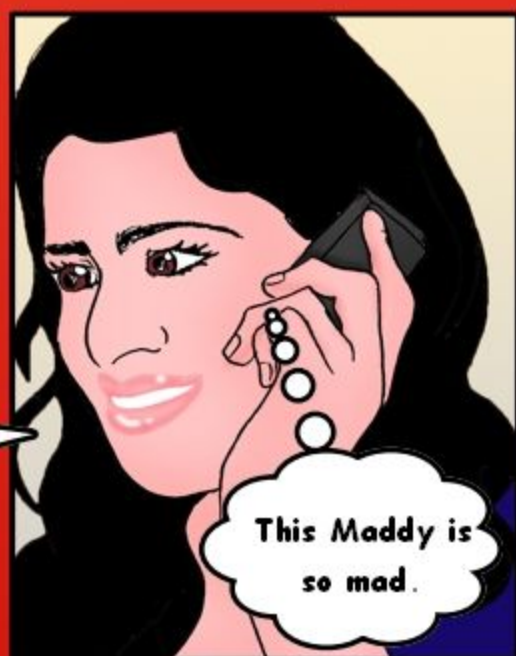

I'll be at the electronics store

I have something in mind of my own for your birthday suit, sweet Pooja.

The night of the party arrives...

And you must be Aakash, my husband's old cricket buddy.

I feel like we already know each other. Let me show you around.

So nice to meet you, Pooja.

I got you a little birthday present. I hope you like.

The real present is hidden inside. Go in your bedroom and open it, but don't let Aakash see it.

Oh my god, what is this?

I think I know what he meant by special friend now!

Where is my young bride, anyway?

Here I am
I just couldn't wait
to open my gift
from Shweta.

It looks lovely
on you.

I'm glad you
like it.

I love it so
much I had to
put it on.

Thank you, Shweta.
It's a lovely dress.
Don't you think,

Very elegant

You have good
taste, Shweta.

I'm more
curious about
what's
underneath.

Wow, they look
even better on
you

No. No more.

Special friends
only get to see,
not touch

Now I better get
dressed and out of
her, before anybody
gets suspicious.

Aakash's Office

What a pleasant surprise.

I was in the neighborhood, so I thought we might get a bite of lunch...

Later

Again, I thank you--

Why don't you and Pooja be my guest?

My pleasure. Oh, I almost forgot...

I've been invited to a dance party at my friend's club, but my wife will again be out of town.

Does this club serve liquor?

Of course. It's very classy.

Count me in!

The night of the party...

You promise not to get too drunk tonight?

I promise no such thing! It's a party, after all.

Now hurry up.

I'll wear my special gift tonight

But you haven't touched your drink, Maddy!

I guess I haven't, have I?

Actually, we should probably get going.

Suit yourself

No!

Oh, I hope its dark enough in here for no one to see what he's doing

I want to. But it's out of the question.

All right, let's make a wager

A wager?

I bet you that I can kiss you directly in front of your husband and he will not object

Never!

Aakash loves
me more than
anything

If he does
object, then I
will never trouble
you again.

But If he does
not object...

What?

OK

but you will see
that you are
wrong.

You must allow me one
dance in which I can kiss
you passionately.

Come then

No!

He was
clearly
offside.

The 500 you bet
me is practically
in my pocket.

I want to fuck
you, sweetest

But you will get
only a kiss

I keep my word

Are you wearing my
birthday present
underneath?

I am

My god, she's
wet

I know you
want me.

I am yours only as
long as we are on
this dance floor

I still believe in
my marriage
vows

I propose another
wager!

I bet you that I can fondle your lovely
breasts right in front of Aakash and he
still will not object.

You're crazy!

He'll kill us both

I know my friend. If he does
object, then you can slap me
as hard as you like to retain
your honor.

OK.

You're on

And if you're
right?

Then you must
surrender your
birthday present,
right here at the
club.

Should we
practice.

Aakash,

once again I must
compliment your wife's
lovely dancing.

Why don't we find
somewhere for you to
take a nap, Aakash.

You don't want to
miss the fun when
the party really
gets going.

Good idea

Ah, you finally
found a girl to
fuck.

Nice tits

This is the club owner's executive suite

Sleep it off, Aakash. You'll feel better

I'll make sure nobody disturbs you

Call me on my mobile when you wake up

You win

Let's have them

I know where there's a private room

I can't give them to you our here

Why do you have the manager's keys

You just never know when you might need to surrender your underwear

Are you going to watch?

No

I'm going to help

What's the matter?

I've never been with anyone besides Aakash

You'll be more comfortable once I undress too...

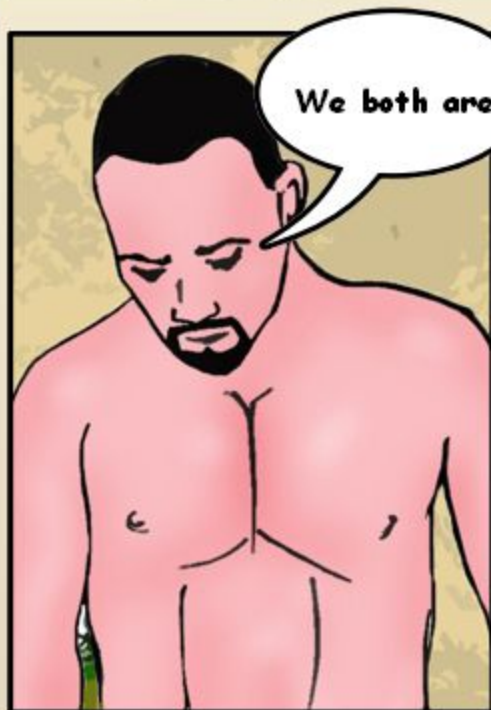

Is something wrong?

I didn't know they came in such a size

It looks happy to see me

We both are

OHHH!

I don't know if I can take it

Careful, Pooja

Aakash is asleep on the other side of this wall.

Oh my god, I've taken the whole thing in my mouth

I've cum three times!

You could look at that way

I prefer to say I've *only* cum three times

You are very persuasive, Pooja

dring dring...

I'm sorry, Aakash, but I'm a little busy at the moment...

THE END
